TEA & Statewide Assessment of Educational Progress (NAEP) Results

TEA identified as a Title I school with distinctions based on reading and mathematics performance. In addition, at the high school level, a reward school is a Title I school with the highest graduation rates. TEA identified as a Title I school in the top 25% in annual improvement; and/or a school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards.

TEA identified as a Title I school in the top 25% in annual improvement; and/or a school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards.

Teacher Quality Data

Professional qualifications of all public elementary and secondary school teachers in the State of Texas. The distribution of degrees attained by teachers are shown as the percentage of total Full-Time Equivalent (FTE) count of teachers with no degree, bachelor's, master's, and doctorate degrees.

	No Degree	Bachelor's	Master's	Doctorate
No Degree	0.0%	0.0%	0.7%	1.2%
Bachelor's	24.6%	89.0%	80.6%	74.5%
Master's	3.0%	11.0%	18.1%	23.6%
Doctorate	0.0%	0.0%	0.6%	0.6%

The percentage of all public elementary and secondary school teachers teaching with emergency or provisional credentials, disaggregated by high-poverty compared to low-poverty schools. For this purpose, high-poverty means schools in the top quartile of poverty and low-poverty means the bottom quartile of poverty in the state.

Graduates Enrolled in Texas Institution of Higher Education (TX IHE)

This section provides the percentage of students who enroll and begin instruction at an institution of higher education in the school year (fall or spring semester) following high school graduation. The rate reflects the percentage of total graduates during the 2013-14 school year who attended a public or independent college or university in Texas in the 2014-15 academic year.
