

Mission Statement

Goals

Student Well-Being & Achievement

Goal 5 - In order to improve college, career, and military readiness, our target is to increase the current readiness rate from 80% to 85% by 2026. This five-percentage-point increase will signify a significant advancement in preparing our students for the next phase of their lives and ensuring they are well-equipped to succeed in college, enter the workforce, or pursue a career in the military.

Teacher & Employee Well-Being

Navarro ECHS is the first high school to partner with Families as Partners to help guide and education parents on literacy skills and CCMR. We currently have 3 parent "champions" , and are hoping through workshops and coaching to have 6 by May of 2026.

Our Parent Support Specialist will utilize our parent coffees and campus parent leaders to advertise and recruit parents towards this opportunity.
