2014 Performance Index

State accountability ratings are based on four performance indexes: Student Achievement, Student Progress, Closing Performance Gaps, and Postsecondary Readiness. The bar chart below illustrates the index scores (ranging from 0 to 100) for this campus for a given index. The Target Score -- the score required to meet each index's standard -- is indicated below the index description and as a line on each bar. In order to receive the Met Standard accountability rating, the campus must have met or exceeded the target score on each index evaluated.

2014 Accountability Rating

Met Standard

For 2014 state accountability, campuses are rated as Met Standard, Improvement Required or Not Rated. The rating, Met Alternative Standard, is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.
