Signature: _____

Item 1: Questions and Answers

Item 1:

Q: There are v/P 4MCIDeW*nB5(r)-2.9 (eBTD 18 BjETEMC1 612 2r)-2.9 (eBTD 18 BjETEMC1 612 2r)-2.9 (t 2r)

The addendum's cover sheet provides a link to the Miller Planroom, where you can access the drawings. Available RCPs will be included in the architectural drawings, and the intrusion drawings provided show device locations.

Q: Will any other models of control panels other than those listed be utilized to accomplish the design narrative?

A: No - Only Napco GEM are to be utilized for Control Panels

Q: When will we have access to the drawings?

A: PDFs of the AISD Middle Schools and High Schools' historical architectural and intrusion drawings have been provided as Addendum 2 to the project's advertisement on AISD's website. The addendum's cover sheet provides a link to the Miller Planroom, where you can access the drawings.

Q: Can we get a clarification on the make and model of the existing cooler monitor control that is present in the kitchen?

A: EnviroAlert EA400 (Manufactured by Winland Electronics)

Q: Please provide an expected schedule for work to be started and completed?

A: This project is currently slated to go to the Board for approval on 11/16/2020. If approved, pending Contract signatures, work can start 11/30/2020. The Substantial Completion date is 12/31/2022 for all Groupings and associated project locations.

Q: In reference to the "Office Spaces" narrative about wireless receivers; Please provide the make and model of the requested device
