 - o bond program management.
- ξ Tours of Joe Lee Johnson Elementary School in Round Rock are scheduled to help introduce our school communities to modern school designs, including flexible learning spaces.

7. Update on Target Utilization Plan (TUP) Process

The draft Target Utilization Plan (TUP) process was presented to the committee. The district administration developed the draft document and received feedback from the FABPAC, and specifically, the TUP subcommittee. Dr. Cruz reminded the committee that

- ξ School principals and leadership
- ξ Consultants who worked on the projects

- ξ CAC chairs and PTA leadership
- ξ Other government entities

What do we want to ask? What do we want to know?

- ξ How did the community engagement process go?
- ξ Was the explanation of concepts and presentation of materials good?
- ξ What validated your support and what challenged your support?
- ξ What went well? What did not?
- ξ How did you receive your communication for the FMP and bond?
- ξ If you had concerns, how well were they addressed? Or were they not addressed?
- ξ What needs to happen to gain your support the next time?
- ξ What issues/projects are you paying attention to?
- ξ Were the final FMP recommendations definitive enough?

This item should be further discussed at a future meeting.
