Piper: Why is SB9 more focused on grades K-2 and not all grades?

Michelle There were not any TEKS that focused on Human Sexuality so what we picked is helping kids to know their body parts. The good touch – bad touch and consent related to telling school mates about things like tickling that they don't like.

There will be special feedback SHAC sessions on April 27 and May 4. HACm m rs will r iv th ir own log in to r vi w all I ssons HACm m rs ar n ourag to r vi w all I ssons
