About the Department of Program Evaluation. The Department of Program Evaluation (DPE) was established in 1972 to support program decision and strategic planning in the district. The department is housed in the Office of Accountability and is charged with evaluating federal, state, and locally funded programs in AISD. DPE staff inte grate best and innovative evaluation practices with educational and institutional knowledge. DPE staff work with program staff throughout the district to design and conduct formative and summative program evaluations. DPE's methods for evaluating programs vary depending on the research question, program design, and reporting require ments. The evaluations report objectively about program implementation and outcomes, and serve to inform 1dform
