

2012-2013 Austin ISD Parent Survey Garza HS

Strong relationships among staff, students and staff are critical to student success. In particular, parent involvement in education is associated with a high level of student achievement. These survey results provide campuses with feedback on how parents feel about their treatment by school staff, the school's educational environment, and various school-based opportunities parents would like for their children. The following report contains the results of the 2012-2013 Parent Survey for Austin Independent School District (AISD) for Garza HS. The district report can be found at:
