

The following pages contain more detailed information regarding Highland Park's student climate results from [redacted] to [redacted]. Please review the individual items with particular attention to how Highland Park's percentage of students providing favorable responses has changed or remained consistent over time. For items where longitudinal data are available, statistically meaningful changes are noted with up or down arrows. Please share the results of this report with all campus staff and our campus advisor council to inform campus improvement planning.

classmates show respect to each other  
 classmates show respect to other students who are different
