

## 2012-2013 Austin ISD Parent Survey Sims ES

Parents and staff are critical to student success. In addition, communication is associated with a high level of student success. We provide campuses with feedback on how parents feel about the school's educational environment, and various programs and services they would like for their children. The following report contains the results of the Parent Survey for Austin Independent School District (AISD) for the 2012-2013 school year. You can find it at: <http://www.austinisd.org/dre>
