Survey Report

BEHAVIORAL ENVIRONMENT

A total of six items on the survey assess the dimension called Behavioral Environment, the respect and caring among students and the extent to which students obey the school rules and feel safe at school. Results for the individual items composing the subscale are in Table 2. Item numbers in each table correspond to the sum of the items. The average result for the subscale is 3.71.

ADDITIONAL ACADEMIC ENVIRONMENT

Five additional items were included on the survey. Four items measured additional components of school climate (Table 6) and the sixth asked students to indicate whether or not they intended to go to college after high school (Table 7).
