

# AISD Student Climate Survey: Results for Spring 2013 Through 2016

## WALNUT CREEK

---

Evidence indicates that positive school climate fosters a positive learning environment for students. Also, researchers have documented that a positive school climate helps students from economically disadvantaged

## Academic self-confidence

I can do even the hardest schoolwork if I try.  
I try hard to do my best work.  
I feel successful in my schoolwork.

2013	2014	2015	2016	ALL ES 2016
93%	94%	91%		
96%	98%	96%		
89%	95%	88%
