What Does it Mean to be an Arts Involved Campus?

Your campus classifies as an arts involved school, and therefore meets the basic criteria as a Creative Campus. In arts involved schools, the majority of students receive sequential fine arts instruction, many teachers use creative teaching strategies at least once a week, and community arts partnerships are cultivated both during and after school. To improve, support, and encourage all teachers to implement creative teaching, develop new community arts partnerships in additional grade levels both during and after school and communicate more frequently with families about the value of creative learning.

Why does AISD Measure Creative Campus Scores for its campuses?

National research on creative learning shows that students attending arts-rich schools have higher levels of motivation and better academic and social success (Dwyer, 2011). In addition, prior research into the Creative Learning Initiative (CLI) in AISD indicated that the implementation of creative teaching strategies is related to increased levels of student engagement, attendance, greater academic achievement, and social emotional skills (Christian, Hasty, & Wang, 2017). Current AISD findings indicate that 69% of our elementary schools are already Creative Campuses (Figure 1). Because the arts benefit students academically and creatively, AISD, in collaboration with the City of Austin and MINDPOP, is strategically working towards achieving Creative Campuses for all students by 2022-2023 (MINDPOP, 2012).

The Creative Campus score is calculated as the average of the primary four components (Sequential Fine Arts Instruction, Creative Teaching across the Curricula, Community Arts Partnerships, and After School) plus points earned (or lost) from the additional five components (Community Building through the Arts, Leadership, Communication, Professional Development, and Facilities).

Description of points earned/lost from additional five components:

- If # "Yes"=0, then -1 point
- If # "Yes"=1, then -0.5 points
- If # "Yes"=2 or 3, then 0 points
- If # "Yes"=4, then +0.5 points
- If # "Yes"=5, then +1 point

Creative Campus Goals at Williams

Each year, school leaders develop a Campus Improvement Plan (CIP). Despite there being no district requirement to do so, in 2016-2017 74% of elementary schools made CIP goals related to becoming a more Creative Campus. Williams set the following goal: *"All instructional staff will attend two, three-hour CLI professional development workshops. 75% of teachers will plan, team-teach and reflect with CLI instructional coach at least 4 hours per semester."*

At the end of the year, school leaders reflected on progress in the spring, as follows:

Progress: "Completely accomplished"

Challenges: "Funding"

Successful Strategies: "Support from the district. Collaboration of teachers to use CLI in the classroom."

Distribution of Arts Partners by Grade at Williams

As schools engage with community arts partners they distribute those experiences across different grades, representing different art forms and different cultures. These calculations are provided to help reflect on the current distribution of arts partners and art form to help guide future choices.
